## Foaming Soap

Hand and facial cleansing foam soap that does not burn eyes and dry skin.

**ONE AND ONLY  
IN TURKEY**

Vione Foam Soap is quite different from the soaps used for cleaning hands in general. It is economic and saves from water and soap. You can wash 2800 times with 2 lt. It does not contain salt. Therefore, you can use it on your face thanks to its formula that does not burn your eyes. It does not make your hands and face dry thanks to its skin-friendly Ph value. It helps protect the moisture balance of your skin. Vione Foam Soap is dermatologically tested and approved. Thanks to its self-foaming efficient formula, it outperforms regular soaps in cleansing. Vione Foam Soap is ideal for make-up removal. It gives your skin a fresh and clean sense with its divine fragrance.
